

That's the story

kiwi stories for kiwi kids

newsletter sixteen july 2007

Holy cow what a month... she's been a biggy! The **brand new look** 'That's The Story' website is up and live and what a difference it's made. The 'That's The Story' website has been redesigned to make it easier to use and what's more, it's now easier for our blind and vision-impaired listeners too. Our website can now use special software that allows people who can't see, to use our website and listen to all our stories.

The **Warehouse Stationery Art Gallery** is also now up and open for the whole world to see, and we want YOUR art on the walls. Send us your pictures, your paintings, collages, watercolours, oils, pencils... cripes, you could even make a play-doh sculpture... take a photo of your art, send it in, and we'll get it on the Warehouse Stationery Art Gallery. And what's even better? **Every single week** we pick one piece of art to **win a very 'arty' prize** from Faber Castell and Warehouse Stationery. Check the website for details www.thatsthestory.co.nz and click on Warehouse Stationery Art Gallery.

Plus keep sending in the piccies of your pets for the **Jansens Pet Page**. **Every single week** we give away another **gift voucher** from Jansens Pets so make sure there's a piccy of your pet on the Jansens Pet Page.

'That's The Story' tv starts soon, and we'd love to see some video footage of your pets doing crazy things, mums and dads doing completely silly things, or maybe you've got a short film in you that you'd love to make. Send it in and we'll get it onto 'That's The Story' tv, starting very soon. Hope you had a great month, remember, the shortest day is behind us and it's all down hill to summer... yippie!
