**H**oly cow what a holiday, brrrrrrrr it was cold, aye? Hey, do you want to win an i-Pod shuffle? Congratulations to last month's winner Jessica Hokins. She picked up a free i-Pod shuffle just for guessing the Mystery Voice on the website. I notice that nobody's got this month's one right yet... see if you can guess the voice, maybe get mum or dad to help you out, and like Jessica, you could be a winner.

Talking of winners, don't forget that it's really easy to win a fantastic Faber Castell art pack. We're looking for new art works for our art gallery. If you've already got an art work in the 'That's The Story' Art Gallery it doesn't matter. Send us another one and we'll put it up. If you haven't got an artwork on the art gallery wall yet, then today's a great day to get started. We give away a Faber Castell prize every single week to one lucky artist.

This week I want to talk all about winning. How about winning some FREE pet food? If you've got a lovable pet at home don't forget to send us a pic for the 'Butch Pet Page'... There's a great weekly prize! Plus win the toy of your choice. Have you seen the new 'IQ Toys I Want One Of Those' Page? Boy, has IQ Toys given us some awesome toys to give away. Check it out. Or how do you fancy winning a book? Just click on the 'Jabberwocky' Book Page and pick the book that you want the most! Or win a bag full of toys! Don't forget to have a go at our on line game 'I Found The Lolly'... find that lolly and you're in to win a big, bag full of toys. We've also got weekly prizes to be won with the Hangman and Flip games too!

Wanna win \$150 cash? Just write us a story, and once a week we pick a story to win \$150 cash, plus we'll play the story on Classic Hits, Sunday between 7 and 8 am.

Lights, camera, action! ATTENTION all budding movie directors! We'd love to see some video footage from you. Perhaps a video of your cat doing something silly, your dog doing something crazy, or perhaps dad trying to ride your bike, or maybe even get your mates together and make a short film? Send it in to us and we'll put it on 'That's The Story' TV.

And remember that [www.thatsthestory.co.nz](http://www.thatsthestory.co.nz) is YOUR website, so if there's anything YOU want to see on it, let us know. Just click on the 'Make A Suggestion' button on the front page and tell us what you think.

Keep your eye open for a couple of changes in August. We've got some new features on the website that are gonna be a whole heap of fun.

And, lastly, don't forget to tune in Sunday, to the greatest kids' radio show on earth, 'That's The Story'. 7 till 8 on Classic Hits. See ya then.

Ronnie

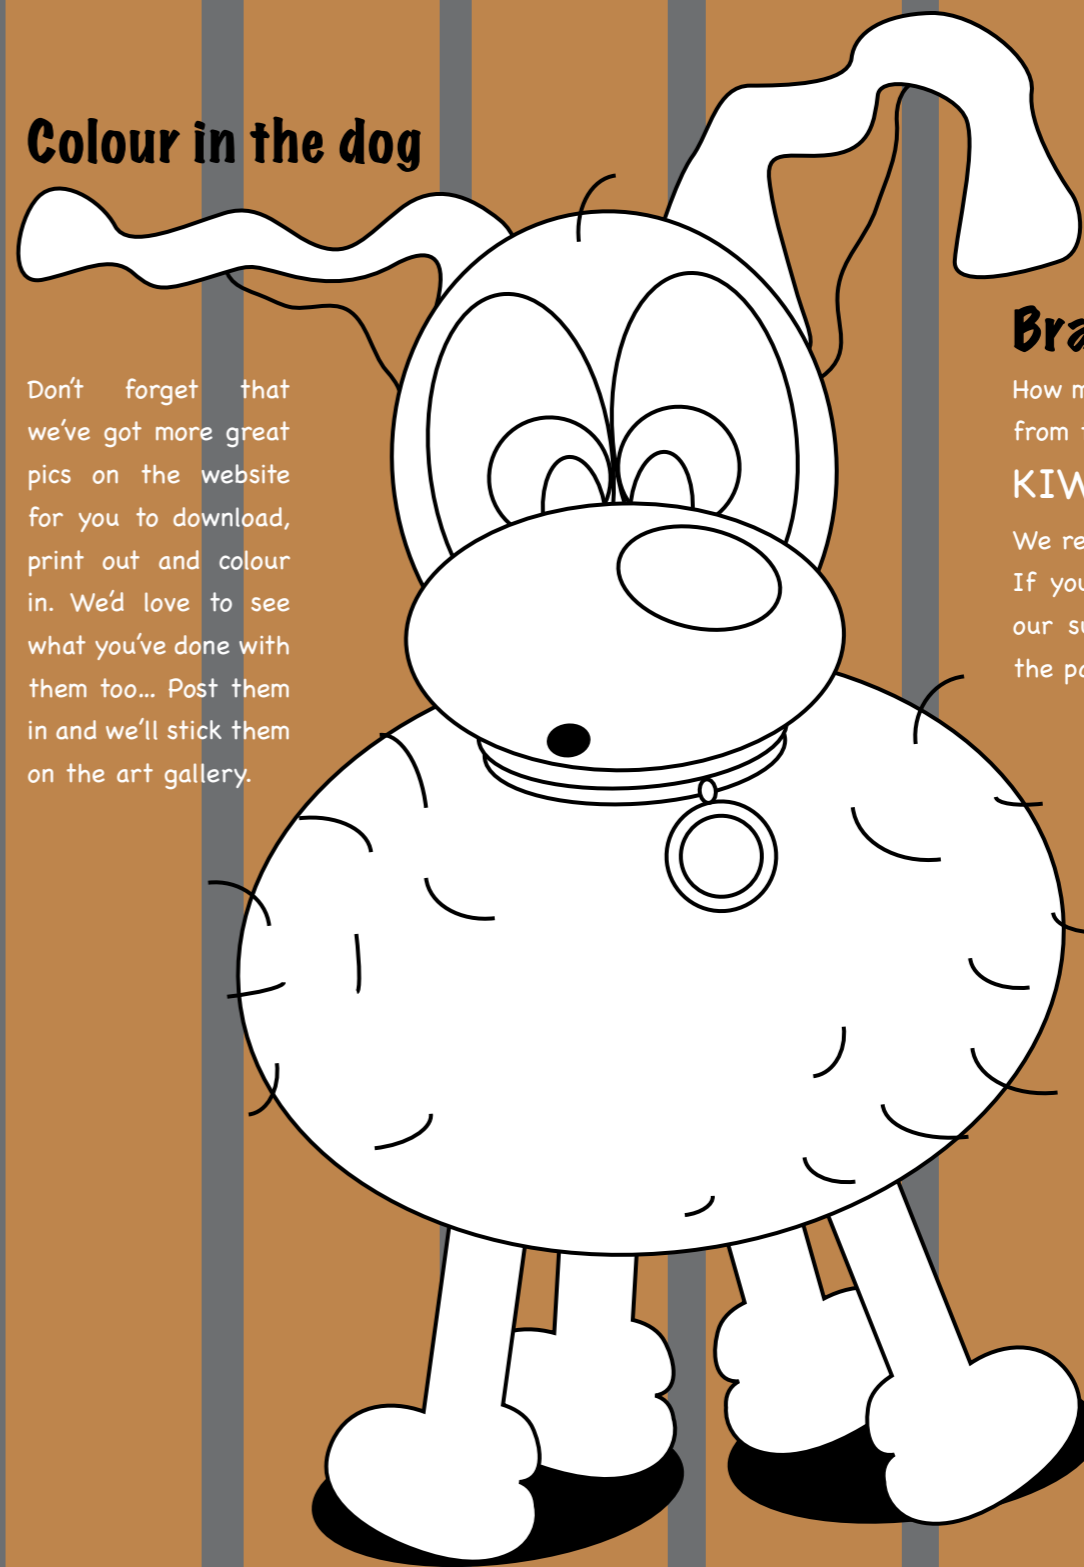

### The importance of seven

- There are seven days in each week: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, and Saturday.
- There are seven deadly sins: lust, sloth, pride, anger, gluttony, avarice, and envy. Avarice means greed.
- There are seven colours in a rainbow: red, orange, yellow, green, blue, indigo, violet.
- There are seven notes in the musical scale: a, b, c, d, e, f, g.
- There are seven points on a sheriff's badge.
- You cannot fold a single piece of paper more than seven times. (This is true. See if you can do it. Bet you can't).
- There are seven planets visible to the human eye: the sun, the moon, Mercury, Venus, Jupiter, Saturn and Mars.
- Traditionally, there are seven ages of life: infancy, childhood, lover, soldier, adult, senility, death. We reckon being a kid's the best, so get out there and enjoy it!

### Colour in the dog

Don't forget that we've got more great pics on the website for you to download, print out and colour in. We'd love to see what you've done with them too... Post them in and we'll stick them on the art gallery.
